Community Projects — South Kanara Project area - Rural Arts Crafts and Industry in Development of Bee Keeping Industry - Distribution of Bee-hives at 50% — Scheme — Sanctioned.

Ref.C.No.2279/54-C. Project Executive Office, S.K.,
Mangalore, dated 24--10--1954.

From
Sri. M. Narasimha,
Project Executive Officer,
South Kanara, MANGALORE.

The Director of Community Development
MADRAS.

Sir,

COMMUNITY PROJECTS--South Kanara--Encouragement to Bee-Keeping industry--Further proposals--Submitted--Orders--Request.

Ref: 1. My letter Ref.C.No.2277/54-C, dated 14--5--1954.
2. G.O.Ms.No.1910 Agri. Dept. dated 9--6--1954.

An aggregate expenditure of Rs.2960/- was sanctioned in the G.O. cited (2) above for the development of bee keeping industry in this Project Area. Out of total expenditure sanctioned, only a sum of Rs.1440/- was set apart for distribution of 180 bee hives at 50% cost. In the beginning it was difficult to foresee the nature and extent of response to the scheme by the villagers and so a very modest scheme involving distribution of only 180 bee hives was proposed. But, now the people of this area are found to be much interested in the bee keeping industry and there is good scope to enlarge the industry as a subsidiary occupation to the poor villagers. There is therefore a large demand for bee hives from both individual and the members of the societies which have been organised and are pending registration, provided the bee hives are provided at 50% of the cost price. It is now proposed to distribute 400 more bee hives to the villagers interested in the industry at 50% concessional rate. The cost of 400 hives at half cost, i.e. at Rs.8/- each comes to Rs.3200/- (three thousand two hundred only). I, therefore, request that sanction may kindly be accorded for the purchase and distribution of 400 more bee hives at half cost.

Further I submit that one maistry (fieldman) sanctioned in the scheme, found to be quite inadequate for the work, as he cannot, singlehanded, tour the extensive area of this Community Project and do effective work. I, have therefore, appointed 2 maistries to work under the two Asst.Project Officers of this Community Project area for a period of 6 months each as against one maistry sanctioned for one year. As it will be necessary to extend the term of office of the maistries in the interest of the successful working of the scheme, I submit that in additional to one maistry sanctioned in the G.O. cited 2nd above on Rs.43 per month for a period of one year, one more maistry may be appointed on Rs.43 per month for a period of one year.

As each of the two maistries will have to tour in the area for distribution of bee hives and instructing the members on the improved method of hiving, they have to be paid at least a sum of Rs.20/- per month as F.T.A.. I, therefore, recommend that a F.T.A. of Rs.20/- per month may kindly be granted to each of the 2 maistries. The total additional expenditure on this account will be Rs.480/- for one year. This expenditure can be met from the amount of Rs.600/- sanctioned for the miscellaneous charges. The additional expenditure for the purchase and distribution of 400 more bee hives and the employment of one more maistry on a monthly salary of Rs.43/- for one year comes to Rs.3716/-.

P.T.O.

I, therefore, request that orders may kindly be passed sanctioning an ~~ex~~ additional expenditure of Rs.37[illegible]/- for development of bee keeping industry in this Project Area. Both the maistries have entered upon their duties and have started work.

Yours faithfully,

Project Executive Officer.
